**Legislative Counsel's Digest:**

1 Existing law sets forth various requirements concerning a franchise between a  
2 supplier and a wholesaler of malt beverages, distilled spirits and wines. (NRS  
3 597.120-597.180) Existing law prohibits a supplier from unreasonably withholding  
4 or delaying approval of any assignment, sale or transfer of stock of a wholesaler or  
5 of all or any portion of a wholesaler's assets, a wholesaler's voting stock, the voting  
6 stock of any parent corporation or the beneficial ownership or control of any other  
7 entity owning or controlling the wholesaler if the person to be substituted under the  
8 terms of the franchise meets certain reasonable standards. (NRS 597.157) **Section**

\* S B 3 0 7 R 3 \*

9 1.7 of this bill requires a supplier to approve or deny approval for any such  
10 transaction in writing within 60 days after receiving notice of the transaction if the  
11 person to be substituted under the terms of the franchise meets certain reasonable  
12 standards. **Section 1.7** provides that if a supplier does not approve or deny approval  
13 for the transaction within that time period, the transaction is deemed approved.

14 **Section 1** of this bill provides that a provision of any contract or other  
15 agreement that attempts to alter or waive the provisions of law governing a  
16 franchise between a supplier and a wholesaler of malt beverages, distilled spirits  
17 and wines is void and unenforceable. **Sections 1.3 and 3.5** of this bill make  
18 conforming changes to indicate the proper placement of **section 1** in the Nevada  
19 Revised Statutes.

20 **Section 3** of this bill prohibits a supplier from: (1) failing to approve or  
21 disapprove an invoice or claim for reimbursement within 45 days or failing to pay  
22 an invoice or claim for reimbursement within 45 days after such approval; (2)  
23 entering into an agreement with a wholesaler which purports to waive the rights and  
24 remedies of the wholesaler if the supplier retaliates against the wholesaler for  
25 reporting a violation of law to the Department of Taxation; (3) requiring a  
26 wholesaler to make payments under terms that are materially different from the  
27 payment terms applicable to payments made by the supplier; or (4) withdrawing  
28 credit or credit terms from a wholesaler except in accordance with a written policy  
29 of the supplier which is provided or otherwise made available to the wholesaler.

30 Existing law regulates the operation of brew pubs in this State, including  
31 limiting the amount of malt beverages which a person who operates one or more  
32 brew pubs is authorized to manufacture per year to not more than 40,000 barrels.  
33 (NRS 597.230) **Section 4** of this bill authorizes a person who operates one or more  
34 brew pubs to manufacture and sell an additional 20,000 barrels of malt beverages to  
35 a wholesaler located outside of this State, subject to such auditing as the  
36 Department of Taxation establishes by regulation.

37 Existing law provides for the operation of wineries in this State. (NRS 597.240)  
38 **Section 4.5** of this bill authorizes a winery to operate from multiple noncontiguous  
39 locations, provided that the winery has obtained a license for each such location.  
40 **Section 4.5** authorizes a winery that was issued a wine-maker's license on or after  
41 October 1, 2015, to sell alcoholic beverages at retail if the winery has obtained any  
42 licenses or permits required in the jurisdiction in which the winery is located and  
43 the winery complies with the requirement to purchase liquor from a state-licensed  
44 wholesaler. **Section 4.5** removes the prohibition against a winery selling alcoholic  
45 beverages on the premises of the winery or producing, blending or aging wine at a  
46 location other than the premises of the winery.

47 Existing law authorizes a winery to transfer in bulk, directly or through a  
48 wholesaler, wine produced, blended or aged by the winery to an estate distillery for  
49 the purpose of distillation and blending only if 25 percent or more of the wine  
50 produced, blended or aged by the winery is produced blended or aged from fruit  
51 grown in this State. (NRS 597.240) **Section 4.5** provides that the 25-percent  
52 requirement may also be satisfied with wine that is produced, blended or aged from  
53 honey produced in this State. **Section 4.3** of this bill authorizes an estate distillery  
54 to blend and distill wine manufactured by a winery if 25 percent or more of the  
55 wine produced, blended or aged by the winery is produced, blended or aged from  
56 fruit grown or honey produced in this State.

57 Existing law requires certain persons and businesses, including importers of  
58 liquor, wholesale dealers of alcoholic beverages, winemakers, instructional wine-  
59 making facilities, breweries, brew pubs and craft and estate distilleries to obtain a  
60 state license or permit to engage in certain activities involving alcoholic beverages.  
61 (NRS 369.180) Existing law further requires an application for a license for these  
62 persons or businesses to be made to the board of county commissioners or the  
63 governing body of the city in which the applicant maintains his or her principal

64 place of business. (NRS 369.190) **Section 5** of this bill requires the board of county  
65 commissioners or the governing body of a city, in approving such an application, to  
66 require satisfactory proof that the applicant is not in violation of the prohibition  
67 against engaging in certain activities involving alcoholic beverages without a  
68 license and that the applicant is not applying for a license for a business in which he  
69 or she is prohibited by law from engaging.

70 **Section 4.7** of this bill authorizes a retail liquor store, or a delivery support  
71 service acting on behalf of a retail liquor store, to deliver liquor in its original  
72 package to a consumer in connection with a retail sale of such liquor if: (1) the  
73 liquor was purchased by the retail liquor store from a licensed wholesaler; and (2)  
74 the delivery takes place in a jurisdiction where the retail liquor store is licensed to  
75 sell liquor at retail. **Section 4.7** requires the Department of Taxation to adopt  
76 regulations governing such deliveries. **Section 4.7** also exempts such deliveries  
77 from certain provisions of law governing the transport of liquor, including laws  
78 which authorize the transport of liquor for delivery only by persons who have been  
79 issued certain state licenses.

80 **Section 6** of this bill revises terminology relating to applications for a  
81 certificate of compliance by suppliers of liquor by replacing the term "vendor" with  
82 "out-of-state supplier."

83 Existing law prohibits a person from keeping or possessing for sale, furnishing  
84 or selling, or soliciting the purchase or sale of any liquor in this State, or  
85 transporting or importing or causing to be transported or imported any liquor in or  
86 into this State for delivery, storage, use or sale unless the person complies with the  
87 relevant provisions of law and holds the appropriate license, permit or certificate,  
88 except for certain limited exceptions for liquor purchased for household or personal  
89 use. (NRS 369.490) **Section 7** of this bill additionally requires a person to be duly  
90 designated by the supplier of such liquor or to have purchased the liquor from  
91 certain authorized sources. **Section 7** also revises an existing exception from  
92 licensing requirements for consumers who import 1 gallon or less of alcoholic  
93 beverage per month for household or personal use to provide that the exception  
94 applies only if the person enters this State with such alcoholic beverage rather than  
95 importing it. **Sections 6.3 and 6.7** of this bill make a conforming change to reflect  
96 that this exception does not apply to the shipping of alcoholic beverages into this  
97 State other than wine.
